

Dear Valued Member

As we enter a new financial year the Board are committed to improving the Club both on and off the course.

The Membership Categories and Fees for 2017-18 is reflective of the CPI figure of approximately 2.3%. The Club is mindful of the ever increasing strains on households, therefore we endeavour to provide a quality and affordable facility.

Annual Reports

An amendment to the Corporation Act provides the opportunity for companies to determine how they report to members. The club will only send printed Annual Reports to members who specifically request a copy. The Annual Report will be available for inspection on the club's website (www.wfcc.com.au)

Membership Details

To ensure our records are as current as possible it would be appreciated if you could update your member's details as follows:

- Select the wfcc.com.au website
- Select Online Booking
- Enter your Membership Number and PIN
- Select My Details
- Select Edit Details
- Check and/or update your details

An email address is now as important as residential addresses as it helps us to keep you fully informed.
