## ON LINE BOOKING of TEE TIME

All bookings are done on line at <http://www.wfcc.com.au/index.php/golf/online-bookings> or by using the terminals in the Pro shop and in the Spike Bar.

Instructions for online booking procedure are available on the website.

### TEE-OFF TIME

All players must be ready to play 15 minutes before tee-off time. Players arriving late will be moved to the end of the field.

### GOLF ETIQUETTE

There are four main areas of etiquette, which are Course Care, Safety, Consideration for Others, and Pace of Play.

All players should be mindful of all aspects of Course Care including repairing pitch marks, replacing divots and smoothing bunkers. For additional information please refer to: ([www.golf.org.au](http://www.golf.org.au); Rules & Handicapping – Course Care)

Before playing a stroke, ensure that no one is in your line of play or near your swing. Try not to move, talk or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke.

In the interest of all golfers, players should play without delay.

Players searching for a ball should allow other players coming up to pass them; they should signal the players following them to pass, and should not continue their play until those players have passed and are out of range.

Through the green a player should ensure that any turf cut or displaced is replaced at once and pressed down. **A sand bucket MUST** be carried at all times and used to repair divots.

The flagstick should be properly replaced in the hole before players leave the putting green. When the result of a hole is determined, players should immediately leave the putting area.

Flag colours: red = front; white = middle; blue = back section of the green.

Golf Carts can be damaging to the course. Only drive in areas designated by the green staff.

## **PRIORITY ON THE COURSE**

In the absence of special rules, two-ball matches should have precedence over and be entitled to pass any three or four-ball match. A single player has no standing and should give way to a match of any kind.

Any match playing a whole round is entitled to pass a match playing a shorter round.

If a match fails to keep its place on the course and loses more than one clear hole on the players in front, it should allow the match following to pass.

## **GROUND STAFF ON COURSE**

Ground Staff have right of way while working on all areas of the course. Please give sufficient time so that staff may move machinery and themselves out of the line of play. Under no circumstances are members to direct complaints directly to the ground staff. All complaints should go through the appropriate channels.

## **RULES OF COMPETITION PLAY**

Play is under the conditions determined by Match & Competition Committee, in compliance with the Rules of Golf as authorised by the R&A, GA and local rules in operation at the time.

Before commencing play, members should inspect the Notice Board for temporary local rules and other information.

To be eligible to play competition, players must enter their names on the sheet provided and pay entrance fee at the Pro shop before the commencement of their round.

Tee times must be observed at all times. All players must report to the Pro shop at least 15 minutes before hit-off time.

Cancellations of booking can be done on line or by contacting the Pro shop. Contact Pro shop if in any doubt about your cancellation.

Do not hand in your card until you have checked your score and counter-signed the card. All competitors' cards **MUST** be returned immediately on completion of play.

Always pick up when you have lost a hole to par or exhausted strokes allowed in Stableford. Repair all lob marks on the green - you are allowed to do this prior to putting.

Always play without delay: walk briskly between shots. Remember there are players behind you who also wish to complete their round.

## **PRACTICE ON THE COURSE**

Provision is made for members to practice on any of the 3 designated areas: pitching area near entry gate, pitching & bunker area adjacent to 9<sup>th</sup> fairway and area adjacent to the 10<sup>th</sup> fairway. Players must attempt to keep balls within these areas and not hit onto fairways. *A member may practice using 2 balls on the course outside designated competitions times.* When practising in this manner, players are reminded of golf etiquette in respect to those playing a social round of golf.

## ■ REAL ESTATE

### HANDICAPPING

**Stroke Par, Stableford and Four Ball Best Ball:** Full Handicap

**Foursomes:** Two players play as partners and use one ball. The partners strike off alternately from the tee and thereafter strike the ball alternately during the play of each hole until holed out. Half aggregate stroke handicap.

**Mixed Foursomes:** Played in the same manner as foursomes except that the Women use the red tees. Half aggregate stroke handicap.

**Canadian Foursomes:** Played as above except that both players play tee shots at every hole and afterwards continue with whichever ball they nominate. Half aggregate stroke handicap for men and  $\frac{3}{4}$  of combined stroke handicap for Women's.

**American Foursomes:** Both players play tee shots at each hole, and then play a second stroke with their partner's ball. One ball is then selected and play proceeds as in Foursomes with the owner of the ball selected playing the third stroke. Handicap is half of the aggregate stroke handicap for men and  $\frac{3}{4}$  of combined stroke handicap for Women.

**Ambrose:** Played with one or more partners. Each player tees off; the better position of the balls is marked. Players in succession, and in any sequence, place their ball within one club length of this position (no nearer to the hole) and play. The handicap will be  $\frac{1}{2}$  of the combined handicap if a group of four,  $\frac{1}{4}$  if a group of two. Fractional handicaps are to be used.

## COUNT-BACK SYSTEM

### Deciding Ties in Events

Ties in events shall be decided whenever possible by replay, but if the Committee considers this to be inexpedient the following count-back method shall be used:

1. For 18-hole events the best score for the last 9 holes shall be used; if there is still a tie the last six holes, or if still tied the last 3 holes. If a tie still persists then hole by hole from the 18<sup>th</sup>.
2. In 27 hole events the first 18 holes shall be used; if still tied the last 9 holes and then as for No 1 above.
3. In 36, 54, and 72-hole events the last 18 holes shall be used and still tied count back as in 1 above.
4. In handicap events the relevant handicap or fraction thereof shall be applied.

### HANDICAP CALCULATIONS

Golfink calculates player's handicaps based on competition scores. To view handicap refer to: [www.golfink.com.au](http://www.golfink.com.au)

Players use a GolfAustralia (GA) handicap which is relative to their home course, best 8 of 20 score multiplied by 0.93. When playing at other courses, the GA handicap will be adjusted in relation to the slope rating of the course being played.
