## Wedding Team

Before you even pick a single flower, come in and meet with your experienced wedding team - complimentary with each booking. They'll take the stress out of planning by guiding you through the entire process, recommending suppliers and ensuring that everything goes smoothly.

## Ceremony

Your guests will take in the stunning views of lush green fairways and the shimmer of Lake Albert as they wait in anticipation for the main event - you!

Say 'I do' on manicured lawns bordered by a charming, white picket fence, perfect for intimate gatherings and larger events alike. Depending on numbers, Wagga Wagga Country Club can accommodate up to 130 people seated and 180 standing.

The lake and Clubhouse provide a stunning backdrop to your ceremony and photos. Should it happen to rain on your parade, don't worry, we've got you covered with a wet weather option. Besides, everyone says that's good luck anyway.

## Celebrate

Take your time getting those perfect wedding photos while your guests are kept happy up on one of our balconies with a selection of pre-dinner drinks and delicious canapés. A collection of entertaining lawn games can also be set up so they can test their skills - and have a laugh. They'll be having so much fun they might not even notice you've gone!

## Reception

Ceiling to floor windows in our function space provide you and your guests with a magnificent view over the golf course to the lake. The room seats 130 people or up to 180 as part of a cocktail party option, all in air-conditioned comfort.

All the necessities are included - private bridal room, white linen tablecloths, lectern, microphone, separate toilets, a dancefloor and there's a shaded outdoor area for when people want a little break from the party. We'll also take care of the setup and pack down so that you can relax and party with your guests.

Add a bit of personality by decorating the space in your own unique style with the help of some of our favourite local event stylists.

Ask about linen napkins and our courtesy bus to get everyone home safely.

## Dining

The days of standard menus are over! Wagga Wagga Country Club wants to offer you a bespoke dining experience. Lamotte's catering will work with you to create a menu that suits your taste and budget - whether it's fine dining or something more casual.

## Beverages

We are a licenced venue with a wide range of alcoholic and non-alcoholic refreshment packages available. Alternatively, our bar team can work with you to tailor a selection from our wide range of beverages.

## Location

The Wagga Wagga Country Club is located on the outskirts of Wagga, on Plumpton Road. Only a short drive and you've reached a haven of green with the tranquil backdrop of Lake Albert.
